

My Covenant

With God's help, I will devote my time to the development of my religious formation.

Student Name

I will take this time in my precious life to not only learn the path that Jesus Christ showed us, I will learn to walk it. I will remember that God's presence is forever around me. Starting today, I will live with the knowledge that I am here because HE wants me here, I am loved unconditionally because HE loves me.

Date

To my parents/guardians, I trust that you will help guide me along my journey. I ask that you help in my readiness and in you I will be able to find the courage to succeed.

You started my journey with my Baptism, help me to take the next step.
